Question: One question regarding the Winona Lighting bid #001535.
Your specs do not identify mounting type. Would you like cable mount "CSM" or stem mount "SSTM"?

Answer: As noted in the specifications, section 6.1 Fixtures, these are pendant mounted fixtures.

LSUHSC is requesting the following pieces

F5 – 5800-30-STMM-FQ-120V-FAB1-BAL-MOD-DIM

F5A – 5800-48-SSTM-FM-120V-FAB1-BAL-MOD-DIM

They are both stem pieces with a brushed aluminum finish with NO wood.

Question: Do you know overall ceiling height and distance from floor, so that the stem or cable lengths meet your needs?

Answer: Exact ceiling heights and distances are not currently available. The manufacturer has stated that stem length will not affect the price of this item; however the contractor should price out a stem length of no longer than 5 feet for the purpose of the bid. LSUHSC does not anticipate needing lengths any longer than this for the area.

Note: Delivery of product should be made to 2020 Gravier Street, New Orleans, LA 70112 and a lift gate truck will be required for delivery.
